Dear _____ :

This is a Final Adverse Determination as to your exempt status under section 501(c)(7) of the Internal Revenue Code.

Our adverse determination was made for the following reasons:

X fails to meet the requirement for exemption under IRC 501(c)(7). IRC 501(c)(7), as changed by the Tax Reform Act of 1969 provides for the exemption of clubs organized and operated for pleasure, recreation, and other non-profitable purposes, substantially all of the activities of which are for such purposes and no part of the net earnings of which inures to the benefit of any private shareholder.

Public Law 94-568 states that it is intended that social clubs should be permitted to receive up to 35 percent of their gross receipts, including investment income, from sources outside of their membership without losing their exempt status. Within this 35 percent amount, not more than 15 percent of the gross receipts should be derived from the use of the social club's facilities or services by the general public.

As a result of a recent audit of your organization's activities and Form 990 for the period ended December 31, 2000, it was determined that your organization has exceeded the safe harbor limitations on non-member income as outlined in Public Law 94-568.

Based on the above, we are revoking your organization's exemption from Federal income tax under section 501(c)(7) of the Internal Revenue Code effective D. You have executed the Form 6018-A agreeing to this revocation.

You are required to file Federal income tax returns on Form 1120. These returns should be filed with the appropriate Service Center for all years beginning after D.

You are required to file Form 1120, U.S. Corporation Income Tax Return. Form 1120 must be filed by the 15th day of the third month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You have the right to contact the office of the Taxpayer Advocate. However, you should first contact the person whose name and telephone number are shown above since this person can access your tax information and can help you get answers. You can call 1-877-777-4778 and ask for Taxpayer Advocate assistance. Or you can contact the Taxpayer Advocate from the site where the tax deficiency was determined by calling or writing to:

Taxpayer Advocate assistance cannot be used as a substitute for established IRS procedures, formal appeals processes, etc. The Taxpayer Advocate is not able to reverse legal or technically correct tax determinations, nor extend the time fixed by law that you have to file a petition in the United States Tax Court. The Taxpayer Advocate can, however, see that a tax matter that may not have been resolved through normal channels, gets prompt and proper handling.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

R.C. Johnson
Director, EO Examinations
