General Instructions

Section references are to the Internal Revenue Code.

Purpose of Form

Form 8612 is used by real estate investment trusts (REITs) to compute and pay the excise tax on undistributed income under section 4981. The excise tax is 4% of the excess, if any, of the required distribution over the distributed amount.

Who Must File

Any REIT that is liable for the excise tax on undistributed income under section 4981 must file Form 8612.

When and Where To File

File Form 8612 by March 15 following the calendar year to which the excise tax liability applies. File it with the Internal Revenue Service Center where the REIT's income tax return will be filed.

If more time is needed to file Form 8612, use **Form 2758**, Application for Extension of Time To File Certain Excise, Income,

Information, and Other Returns. However, Form 2758 does not extend the time for payment of tax.

Rounding Off to Whole Dollars

The REIT may show amounts on the return as whole dollars. To do so, drop any amount less than 50 cents and increase any amount from 50 cents through 99 cents to the next higher dollar.

Interest and Penalties

Interest.—Interest is charged on taxes not paid by the due date even if an extension of time to file is granted. Interest is also charged on penalties imposed for failure to file, negligence, fraud, gross valuation overstatements, and substantial understatements of tax from the due date (including extensions) to the date of payment. The interest charge is figured at a rate determined under section 6621.

Late filing of return.—A REIT that does not file its tax return by the due date, including extensions, may have to pay a penalty of 5% of the unpaid tax for each month or part of a month the return is late up to a maximum of 25% of the unpaid tax. The penalty will not be imposed if the REIT can show that the failure to file on time was due to reasonable cause. REITs that file late must attach a statement explaining the reasonable cause.

Late payment of tax.—A REIT that does not pay the tax when due may have to pay a penalty of 1/2 of 1% of the unpaid tax for each month or part of a month the tax is not paid up to a maximum of 25% of the unpaid tax. This penalty may also apply to any additional tax not paid within 10 days of the date of the notice and demand for payment. This penalty will not be imposed if the REIT can show that the failure to pay on time was due to reasonable cause.

Who Must Sign

Form 8612 must be signed and dated by the president, vice president, treasurer, assistant treasurer, chief accounting officer, or by any other officer (such as tax officer) authorized to sign. Receivers, trustees, or assignees must sign and date any return that they are required to file on behalf of the REIT.

Specific Instructions

For excise tax purposes, adjustments that result in the distribution of deficiency dividends (as defined in section 860(f)) must be taken into account in computing the income on lines 1a and 2a for the year in which these dividends are paid.

Amended return.—To amend a previously filed Form 8612, file a corrected Form 8612 and write "Amended" at the top of the form.

Period covered.—Fill in the space at the top of the form to show the calendar year for which this return is filed. For purposes of computing the excise tax, the REIT is required to figure its undistributed income on a calendar year basis even though it may file its income tax return and keep its books and records on a fiscal year basis.

Address.—Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and the REIT has a P.O. box, show the box number instead of the street address.

Line 1a.—Refigure the REIT's taxable income for the year treating the calendar year as the REIT's tax year. However, refigure the taxable income without regard to section 857(b)(2)(B) and any gain or loss from the sale or exchange of a capital asset.

Line 2a.—The term "capital gain net income" means the excess of the gains over losses, if any, from the sale or exchange of capital assets determined by treating the calendar year as the REIT's tax year. Reduce capital gain net income by the REIT's net ordinary loss, if any, for the calendar year. See section 4981(e)(2).

Line 3a.—Add lines 1a and 2a using amounts for the previous calendar year, increased by the prior year's shortfall, if any, as defined under section 4981(b)(2).

Line 5.—Enter the deduction for dividends paid (as described in section 561) during the current calendar year computed without regard to the dividends paid, if any, attributable to net income from foreclosure property. Include deficiency dividends (see section 860(f)) paid during the calendar year. Also include dividends declared in October, November, or December but only if they were actually paid by the REIT during January of the following calendar year. (See section 857(b)(8).) Do not include on this line any other dividends paid after the close of the calendar year.

Line 6.—Line 6 is the amount required to be shown on line 22, Part I of Form 1120-REIT for the tax year of the REIT ending in or with the calendar year for which this excise tax return is being filed.

Line 12.—Full payment of the tax due on line 12 must accompany the return. Make the REIT's check or money order payable to "Internal Revenue Service."
