2001

▶ Attach to the corporation's tax return.

Name	Employer identification number
------	--------------------------------

Note: In most cases, the corporation **does not** need to file Form 2220. (See Part I below for exceptions.) The IRS will figure any penalty owed and bill the corporation. If the corporation does not need to file Form 2220, it may still use it to figure the penalty. Enter the amount from line 36 on the estimated tax penalty line of the corporation's income tax return, but **do not** attach Form 2220.

Part I Reasons for Filing—Check the boxes below that apply to the corporation. If any boxes are checked, the corporation must file Form 2220, even if it does not owe the penalty. If the box on line 1 or line 2 applies, the corporation may be able to lower or eliminate the penalty.

- 1 The corporation is using the annualized income installment method.
- 2 The corporation is using the adjusted seasonal installment method.
- 3 The corporation is a "large corporation" figuring its first required installment based on the prior year's tax.

Note: The corporation also must file Form 2220 if it has a suspended research credit allowed for the current year (see the instructions for line 4) or it is an indirectly affected taxpayer (see instructions).
