General Instructions

You may be able to file a completely paperless return! Your tax preparation software should contain information about using a self-select personal identification number (PIN) instead of filing Form 8453-OL. Or, you can visit the IRS Web Site at www.irs.gov.

Changes To Note

- You may be mailing Form 8453-OL to a different address this year. Only the Andover, Austin, and Memphis Service Centers are accepting Forms 8453-OL. See **When and Where To File** below.
- There are new ways to check the status of your 2002 refund. See **Refund Information** for more details.

Purpose of Form

Use Form 8453-OL to:

- Authenticate the electronic portion of your 2002 Form 1040, 1040A, or 1040EZ,
- Send any accompanying paper schedules or statements, and
- Provide your consent to directly deposit any refund and/or authorize an electronic funds withdrawal for payment of Federal taxes owed and/or a payment of estimated tax.

Who Must File

If you are filing a 2002 Form 1040, 1040A, or 1040EZ through an intermediate service provider and/or transmitter and you do not use a self-select PIN, you must file a signed 2002 Form 8453-OL with the IRS.

Note. Do not mail a copy of your Form 1040, 1040A, or 1040EZ.

When and Where To File

You must mail this form to the IRS on the next working day after you have received acknowledgment from your intermediate service provider and/or transmitter that the IRS has accepted your electronically filed return. The address should be included in your acknowledgment message. If not, mail

Form 8453-OL to the IRS at the applicable address shown in the chart below. If you do not receive an acknowledgment, you must contact your intermediate service provider and/or transmitter.

Line Instructions

Declaration Control Number (DCN). The DCN is a 14-digit number assigned to your return by your intermediate service provider and/or transmitter. It should be included in your acknowledgment message. Clearly type or print the DCN in the top left corner of Form 8453-OL. The first two digits are always "00". The next six digits are the electronic filer identification number (EFIN). The next five digits are the batch number and serial number. The "3" represents the year the return is filed (2003).

Example. The EFIN is 509325. The batch number is 000. The serial number is 56. The DCN is 00-509325-00056-3.

Name and Address. If you received a peel-off name and address label from the IRS, put the label in the name area. Cross out any incorrect information and print the correct information. Add any missing items, such as your apartment number. If you did not receive a label, print or type the information in the spaces provided.

P.O. Box. Enter your box number **only** if the post office does not deliver mail to your home.

Note. The address must match the address shown on your electronically filed return.

Social Security Number (SSN). Be sure to enter your SSN in the space provided on Form 8453-OL. If a joint return, list the SSNs in the same order as the first names.

Part I—Tax Return Information

Line 5. Do not include any payment with Form 8453-OL. The method of payment depends on whether you check the box on line 6b or 6c. For details, see the instructions for Part II.

Part II—Declaration of Taxpayer

Note. You must check all applicable boxes on line 6.

If there is an amount on line 5 and you check box 6b and are paying by check or

money order, **do not** attach your payment to Form 8453-OL. Instead, mail it by April 15, 2003, with **Form 1040-V** to the IRS at the applicable address shown on that form. If you do not have a Form 1040-V, you may be able to get it from your intermediate service provider and/or transmitter. You can also see your tax return instruction booklet for other ways to get forms or visit the IRS Web Site at www.irs.gov.

If you check box 6c, you must ensure that the following information relating to the financial institution account is provided in the tax preparation software.

- Routing number.
- Account number.
- Type of account (checking or savings).
- Debit amount.
- Debit date (date you want the debit to occur).

Your electronically transmitted return will not be considered complete, and therefore filed, unless and until the IRS receives your signed Form 8453-OL. If a joint return, your spouse must also sign.

Your signature allows the IRS to disclose to your intermediate service provider and/or transmitter the reason(s) for a delay in processing your return or refund. If you are applying for a refund anticipation loan or similar product, your signature also allows the IRS to advise your intermediate service provider and/or transmitter if a refund offset may occur.

Refunds. Your refund should be issued within 3 weeks after the IRS has accepted your return. However, some refunds may be delayed because of compliance reviews to ensure that returns are accurate.

Refund Information. You can check on the status of your 2002 refund if it has been at least 3 weeks from the date you filed your return. To check on the status of your 2002 refund, do one of the following:

- Go to www.irs.gov, click on "Where's My Refund" then on "Go Get My Refund Status."
- Call 1-800-829-4477 and follow the recorded instructions.
