Publication 3416 (Tax Year 2003) Filing Season Supplement for Electronic Return Trading Partners

This publication is a supplement to Publication 1525 and is intended for Trading Partners already in the IRS *e-file* program. It contains a list of forms and schedules that will be accepted electronically for Tax Year 2003 and Form Field Exhibits that are helpful in resolving error conditions identified in the Acknowledgement Error Record. This publication is automatically mailed to Trading Partners that receive Publication 1525.

NOTE: At the time of printing this publication some of the tax forms/schedules for Tax Year 2003 are still in draft and have not been finalized. If there are changes to the final version of forms/schedules that will effect the Field Length, Field Description or if lines are added or deleted we will issue change pages. However, the final forms/schedules will be available at the IRS website (www.irs.gov). Forms 6781 and 8865 were not available at the printing of this publication.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Note: Some of the line numbers on the December 1988 and March 1991 revisions of Form 8609 differ from later revisions. In these cases, the line references that correspond to the 1988 or 1991 revisions, if different, are shown in parentheses in these instructions.

Purpose of Schedule

Schedule A (Form 8609) must be completed by the building owner each year of the 15-year compliance period, whether or not a credit is claimed for the tax year. For a building receiving separate allocations for the existing building and for the rehabilitation expenditures, a separate Schedule A must be completed for each credit claimed.

The building owner must attach Schedule A, the owner's copy of Form 8609, and Form 8586, Low-Income Housing Credit, to the owner's tax return. If the owner is a partnership, S corporation, estate, or trust (flow-through entity), the entity will complete and attach these forms to its return. If you are a partner, shareholder, or beneficiary in a flow-through entity that owns the building, Form 8586 is the only form needed to claim the credit.

Recapture of Credit

If the qualified basis of the building has decreased from the qualified basis at the close of the previous tax year, you may have to recapture parts of the credits allowed in previous years. See Form 8611, Recapture of Low-Income Housing Credit.

Specific Instructions

Item B. If you are an individual, enter your social security number. All others, enter your employer identification number.

Item C. Enter the building identification number from Part I, item E, of Form 8609.

Line 1. Generally, the eligible basis of a building for its entire 15-year compliance period is the amount of eligible basis entered on Form 8609, line 7b (Part II, line 1b, on the 1988 and 1991 revisions).

Basis increases for buildings in certain high-cost areas. In order to increase the allocated credit for buildings in certain high-cost areas, the housing credit agency may increase the eligible basis of buildings located in these areas (after adjustments, if any, for Federal subsidies and grants). The agency may make this increase under the high-cost-area provisions of section 42(d)(5)(C).

The agency shows the increased percentage of the eligible basis in Part I, line 3b, of Form 8609. The eligible basis entered on Form 8609 should reflect the percentage increase.

If the agency used an earlier revision of Form 8609 that did not have line 3b in Part I to issue a 1990 credit allocation to which the high-cost-area provisions were applied, it should have notified you of the Part I percentage increase in a separate statement. Based on this statement, increase the eligible basis of the building reported in Part II of the Form 8609 you file.

Note: This increase cannot cause the credit on line 15 of Schedule A to exceed the credit amount allocated on line 1b, Part I of Form 8609.

Basis reductions. The amount of eligible basis entered on Form 8609 does not include the cost of land, the amount of any Federal grant received for the building during the first year of the credit period, or any portion of a building's adjusted basis for which an election was made prior to November 5, 1990, under section 167(k). Do not reduce the eligible basis on line 1 of Schedule A by the amounts of any Federal grants received after the first year of the credit period. The calculation for line 14 of Schedule A will reduce the credit by the amount of any Federal grants received during the compliance period that did not reduce the eligible basis during the first year of the credit period.

For more details on determining eligible basis, see the instructions for Form 8609, line 7b (Part II, line 1b, on the 1988 and 1991 revisions).

Line 2. Only the portion of the basis on line 1 attributable to the low-income rental units in the building at the close of the tax year qualifies for the credit. This is the smaller of (a) the percentage of low-income units to all residential rental units (the "unit percentage") or (b) the percentage of floor space of the low-income units to the floor space of all residential rental units (the "floor space percentage"). This percentage must be shown on line 2 as a decimal carried out to at least four places (e.g., 50% = .5000). Low-income units are units occupied by qualifying tenants, while residential rental units are all units, whether or not occupied.

Generally, a unit is not treated as a low-income unit unless it is suitable for occupancy and is used other than on a transient basis. Section 42(i)(3) provides for certain exceptions (e.g., units that provide

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of form. Generally, the amount by which you benefit from the discharge of indebtedness is included in your gross income. However, under certain circumstances described in section 108, you may exclude the amount of discharged indebtedness from your gross income. Unless you check the box on line 1d or make the election on line 5, the amount excluded from gross income reduces certain tax attributes either dollar for dollar or 33 1/3 cents per dollar (see below).

Use **Part I** of Form 982 to indicate why any amount received from the discharge of

indebtedness should be excluded from gross income.

Use **Part II** to report your reduction of tax attributes. The reduction must be made in the following order:

- Any net operating loss (NOL) for the tax year of the discharge (and any NOL carryover to that year) (dollar for dollar);
- Any general business credit carryover to or from the tax year of the discharge (33 1/3 cents per dollar);
- Any minimum tax credit as of the beginning of the tax year immediately after the tax year of the discharge (33 1/3 cents per dollar);
- Any net capital loss for the tax year of the discharge (and any capital loss carryover to that tax year) (dollar for dollar);

- Basis of property (dollar for dollar);
- Any passive activity loss (dollar for dollar) and credit (33 1/3 cents per dollar) carryovers from the tax year of the discharge; and
- Any foreign tax credit carryover to or from the tax year of the discharge (33 1/3 cents per dollar).

Use **Part III** to exclude from gross income under section 1081(b) any amounts of income attributable to the transfer of property described in that section.

Definitions. A "title 11 case" is a case under title 11 of the United States Code (relating to bankruptcy), but only if you are under the jurisdiction of the court in the case and the discharge of indebtedness is granted by the court or is under a plan approved by the court.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

Use Form 4255 to figure the increase in tax for the recapture of investment credit claimed.

Who Must Refigure the Investment Credit

Generally, you must refigure the investment credit and may have to recapture all or part of it if any of the following apply.

- You disposed of investment credit property before the end of 5 full years after the property was placed in service (recapture period).

- You changed the use of the property before the end of the recapture period so that it no longer qualifies as investment credit property.
- The business use of the property decreased before the end of the recapture period so that it no longer qualifies (in whole or in part) as investment credit property.
- Any building to which section 47(d) applies will no longer be a qualified rehabilitated building when placed in service.
- Any property to which section 48(a)(5) applies will no longer qualify as investment credit property when placed in service.
- Before the end of the recapture period, your proportionate interest was reduced by more than one-third in a partnership, S corporation, estate, or trust that allocated

the cost or other basis of property to you for which you claimed a credit.

- You returned leased property (on which you claimed a credit) to the lessor before the end of the recapture period.
- A net increase in the amount of nonqualified nonrecourse financing occurred for any property to which section 49(a)(1) applied. For more details, see the instructions for line 10.

Exceptions to recapture. Recapture of the investment credit does not apply to the following.

- A transfer because of the death of the taxpayer.
- A transfer between spouses or incident to divorce under section 1041. However, a later disposition by the transferee is subject to recapture to the same extent as if the transferor had disposed of the property at the later date.

General Instructions

Section references are to the *Internal Revenue Code*.

Purpose of Form

Use Form 8271 to report the tax shelter registration number the IRS assigns to certain tax shelters required to be registered under section 6111 ("registration-required tax shelters") and to report the name and identifying number of the tax shelter. This information must be reported even if the particular interest is producing net income for the filer of Form 8271. Use additional forms to report more than 10 tax shelter registration numbers.

Note: A tax shelter registration number does not indicate that the tax shelter or its claimed tax benefits have been reviewed, examined, or approved by the IRS.

Who Must File

Any person claiming or reporting any deduction, loss, credit, or other tax benefit, or reporting any income on any tax return from an interest purchased or otherwise acquired in a registration-required tax shelter must file Form 8271. If you are an investor in a partnership or an S corporation, look at item G, Schedule K-1 (Form 1065), or item C, Schedule K-1 (Form 1120S). If a tax shelter registration number or the words "Applied for" appear there, then the entity is a registration-required tax shelter. If the interest is purchased or otherwise acquired by a pass-through entity, both the pass-through entity and its partners, shareholders, or beneficiaries must file Form 8271.

A pass-through entity that is the registration-required tax shelter does not have to prepare Form 8271 and give copies to its partners, shareholders, or beneficiaries unless the pass-through entity itself has invested in a registration-required tax shelter.

In certain cases, a tax shelter that does not expect to reduce the cumulative tax liability of any investor during the 5-year period ending after the date the investment is first offered for sale may be considered a "projected income investment." Such a tax shelter will not have to register, and thus not have to furnish a tax shelter registration number to investors, unless and until it ceases to be a projected income investment. It is possible, therefore, that you may not be furnished a tax shelter registration number, and not have to report it, for several years after you purchase or otherwise acquire your interest in the tax shelter. If you are later furnished a tax shelter registration number because the tax shelter ceased to be a projected income investment, follow these instructions. However, you must file Form 8271 only for tax years ending on or after the date the tax shelter ceases to be a projected income investment.

Note: Even if you have an interest in a registration-required tax shelter, you do not have to file Form 8271 if you did not claim or report any deduction, loss, credit, or other tax benefit, or report any income on your tax return from an interest in the registration-required tax shelter. This could occur, for example, if for a particular year you are unable to claim any portion of a loss because of the passive activity loss limitations, and that loss is the only tax item reported to you from the shelter.

Filing Form 8271

Attach Form 8271 to any return on which a deduction, loss, credit, or other tax benefit is claimed or reported, or any income reported, from an interest in a registration-required tax shelter. These returns include applications for tentative refunds (Forms 1045 and 1139) and amended returns (Forms 1040X and 1120X).

Furnishing Copies of Form 8271 to Investors

A pass-through entity that has invested in a registration-required tax shelter must furnish copies of its Form 8271 to its partners, shareholders, or beneficiaries.

However, in the case where (a) the pass-through entity acquired at least a 50% interest in one tax year in a registered tax shelter (and in which it had not held an interest in a prior year), and (b) the investment would not meet the definition of a tax shelter immediately following the acquisition if it had been offered for sale at that time, the pass-through entity need not distribute copies of Form 8271 to its investors. The pass-through entity alone is required to prepare Form 8271 and include it with the entity tax return.

Penalty For Not Including Registration Number on Return

A \$250 penalty will be charged for each failure to include a tax shelter registration number on a return on which it is required to be included unless the failure is due to reasonable cause.

Specific Instructions Investor's Identifying Number

General Instructions*Section references are to the Internal Revenue Code unless otherwise noted.***Purpose of Form.** Form 8308 is filed by a partnership to report the sale or exchange by a partner of all or part of a partnership interest where any money or other property received in exchange for the interest is attributable to unrealized receivables or inventory items (i.e., where there has been a section 751(a) exchange).**Who Must File.** A partnership must file a separate Form 8308 for each section 751(a) exchange of an interest in such partnership. See Regulations section 1.6050K-1.**Note:** *Form 8308 does not have to be filed if, under section 6045, **Form 1099-B, Proceeds From Broker and Barter Exchange Transactions**, is required to be filed with respect to the sale or exchange.*

A partnership must file Form 8308 once the partnership has notice of the section 751(a) exchange. The partnership has such notice when either:

1. The partnership receives written notification of the exchange from the transferor that includes the names and addresses of both parties to the exchange, the identifying numbers of the transferor and (if known) of the transferee, and the date of the exchange; or

2. The partnership has knowledge that there has been a transfer of a partnership interest and, at the time of the transfer, the partnership had any unrealized receivables or inventory items.

No returns or statements are required under section 6050K if the transfer was not a section 751(a) exchange. For example, a transfer which in its entirety constitutes a gift for Federal income tax purposes is not a section 751(a) exchange.

A partnership may rely on a written statement from the transferor that the transfer was not a section 751(a) exchange unless the partnership has knowledge to the contrary. If a partnership is in doubt whether partnership property constitutes unrealized receivables or inventory items or whether a transfer constitutes a section 751(a) exchange, the partnership may file Form 8308 to avoid the risk of incurring a penalty for failure to file.

When To File. Generally, file Form 8308 as an attachment to Form 1065 or Form 1065-B for the tax year of the partnership that includes the last day of the calendar year in which the section 751(a) exchange took place. Form 8308 is due at the time for filing the partnership return, including extensions.

If, however, a partnership is notified of a section 751(a) exchange after it has filed its partnership return, file Form 8308 separately, within 30 days of notification, with the service center where Form 1065 or Form 1065-B was filed.

Copies of Form 8308 To Be Furnished to Transferor and Transferee. All partnerships required to file Form 8308 must furnish a copy of the form to each transferor and transferee by January 31 of the year following the calendar year in which the section 751(a) exchange occurred or, if later, 30 days after the partnership has notice of the exchange.

If the partnership does not know the identity of the beneficial owner of an interest in the partnership, the record holder of the interest is treated as the transferor or transferee.

General Instructions

Purpose of Form

Use this form if you must recapture part of the low-income housing credit you took in previous years because:

- The qualified basis of a building decreased from one year to the next, or
- You disposed of the building or an ownership interest in it, and you did not post a satisfactory bond or pledge eligible U.S. Treasury securities as collateral. For details on how to avoid recapture on a building disposition, see section 42(j)(6); **Form 8693**, Low-Income Housing Credit Disposition Bond; and Rev. Proc. 99-11, 1999-2 I.R.B. 14.

Note: If the decrease in qualified basis is because of a change in the amount for which you are financially at risk on the building, then you must first recalculate the amount of credit taken in prior years under section 42(k) before you calculate the recapture amount on this form.

To complete this form you will need copies of the following forms that you have filed:

Form 8586, Low-Income Housing Credit (and **Form 3800**, General Business Credit, if applicable); **Form 8609**, Low-Income Housing Credit Allocation Certification; **Schedule A (Form 8609)**, Annual Statement; and Form 8611.

Note: Flow-through entities must give partners, shareholders, and beneficiaries the information that is reported in items C, D, E, and F of Form 8611.

Generally, recapture applies if:

- You dispose of a building or an ownership interest in it;
- There is a decrease in the qualified basis of the building from one year to the next; or
- The building no longer meets the minimum set-aside requirements of section 42(g)(1), the gross rent requirement of section 42(g)(2), or the other requirements for the units which are set aside.

However, recapture **does not** apply if:

- You disposed of the building or an ownership interest in it and you posted a satisfactory bond or pledged eligible U.S.

Treasury securities as collateral (for details, see section 42(j)(6); Form 8693; and Rev. Proc. 99-11);

- You disposed of an ownership interest in a building that you held through an electing large partnership;
- The decrease in qualified basis does not exceed the additions to qualified basis for which credits were allowable in years after the year the building was placed in service;
- You correct a noncompliance event within a reasonable period after it is discovered or should have been discovered;
- The credit did not reduce your tax liability (but you must adjust the allowable general business credit carryback and carryforward); or
- The qualified basis is reduced because of a casualty loss, provided the property is restored or replaced within a reasonable period.

Recordkeeping Requirements

General Instructions

Purpose of Form

Use Parts I, II, and III of Form 8824 to report each exchange of business or investment property for property of a like kind. Certain members of the executive branch of the Federal Government use Part IV to elect to defer gain on conflict-of-interest sales.

Multiple exchanges. If you made more than one like-kind exchange, you may file only a summary Form 8824 and attach your own statement showing all the information requested on Form 8824 for each exchange. Include your name and identifying number at the top of each page of the statement. On the summary Form 8824, enter **only** your name and identifying number, "Summary" on line 1, the total recognized gain from all exchanges on line 23, and the total basis of all like-kind property received on line 25.

When To File

If during the current tax year you transferred property to another party in a like-kind exchange, you must file Form 8824 with your tax return for that year. Also file Form 8824 for the 2 years following the year of a related party exchange (see the instructions for line 7 on page 3).

Like-Kind Exchanges

Generally, if you exchange business or investment property solely for business or investment property of a like kind, no gain or loss is recognized under section 1031. If, as part of the exchange, you also receive other (not like-kind) property or money, gain is recognized to the extent of the other property and money received, but a loss is not recognized.

Section 1031 does not apply to exchanges of inventory, stocks, bonds, notes, other securities or evidence of indebtedness, or certain other assets. See section 1031(a)(2).

Like-kind property. Properties are of like kind if they are of the same nature or

character, even if they differ in grade or quality. Personal properties of a like class are like-kind properties. However, livestock of different sexes are not like-kind properties. Also, personal property used predominantly in the United States and personal property used predominantly outside the United States are not like-kind properties. See **Pub. 544**, Sales and Other Dispositions of Assets, for more details.

Real properties generally are of like kind, regardless of whether they are improved or unimproved. However, real property in the United States and real property outside the United States are **not** like-kind properties.

Deferred exchanges. A deferred exchange occurs when the property **received** in the exchange is not received at the same time as the transfer of the property **given up**. For a deferred exchange to qualify as like-kind, you must comply with the 45-day written notice and receipt requirements explained in the instructions for lines 5 and 6.

Multi-asset exchanges. A multi-asset exchange involves the transfer and receipt of more than one group of like-kind properties. For example, an exchange of

Instructions

Section references are to the Internal Revenue Code.

Purpose of form. Partnerships and S corporations use Form 8825 to report income and deductible expenses from rental real estate activities, including net income (loss) from rental real estate activities that flow through from partnerships, estates, or trusts.

- Before completing this form, be sure to read:
 - **Passive Activity Limitations** in the instructions for Form 1065 or Form 1120S, or **Passive Loss Limitation Activities** in the instructions for Form 1065-B, especially for the definition of "rental activity."
 - **Extraterritorial Income Exclusion** in the instructions for Form 1065, 1065-B, or 1120S.

Lines 1 through 21. Form 8825 provides space for up to eight properties. If there are more than eight properties, complete and attach additional Forms 8825.

The number of columns to be used for reporting income and expenses on this form may differ from the number of rental real estate activities the partnership or S corporation has for purposes of the passive activity limitations. For example, a partnership owns two apartment buildings, each located in a different city. For purposes of the passive activity limitations, the partnership grouped both buildings into a single activity. Although the partnership has only one rental real estate activity, it must report the income and deductions for each building in separate columns.

However, if the partnership or S corporation has more than one rental real estate activity, attach a statement to Schedule K that reports the net income (loss) for each separate activity. Also, attach a statement to each Schedule K-1 that reports each partner's or shareholder's share of the net income (loss) for each separate activity (except for limited partners in an electing large partnership). See **Passive Activity Reporting Requirements** in the instructions for Form 1065, Form 1065-B, or Form 1120S for additional information that must be provided for each activity.

Complete lines 1 through 16 for each property. But complete lines 17 through 21 on only one Form 8825. The figures on lines 17 and 18 should be the combined totals of all forms.

- Do not** report on Form 8825 any:
 - Income or deductions from a trade or business activity or a rental activity other than rental real estate.
 - Portfolio income or deductions.
 - Section 179 expense deduction.
 - Other items that must be reported separately to the partners or shareholders.
 - Commercial revitalization deductions.

Line 1. Show the kind of property rented out (e.g., "apartment building"). Give the street address, city or town, and state.

Line 14. The partnership or S corporation may claim a depreciation deduction each year for rental property (except for land, which is not depreciable). If the partnership or S corporation placed property in service during the current tax

year or claimed depreciation on any vehicle or other listed property, complete and attach **Form 4562**, Depreciation and Amortization. See Form 4562 and its instructions to figure the depreciation deduction.
